To provide principals information regarding The Parent Academy Mobile application

The Parent Academy (TPA) has developed a mobile application that is embedded in the M-DCPS Mobile app. There are seven features available: TPA Website, Workshops, Near Me, Virtual Campus, Family Matters, BPOP Sites, and Family Fun. To ensure families are informed, principals are asked to do the following:

- Distribute copies of the attached flyers to staff and parents.
 - Assist parents with the activation of their Parent Portal accounts by providing PIN numbers. See Weekly Briefings 26057.
 - Assist parents with downloading the District Mobile Application. See Weekly Briefing 26357.
 - Request live sessions as needed of "The Parent Portal" workshops from TPA via the following link:
<https://collaborationportal.dadeschools.net/departments/9051/Lists/TPA%20Training%20Data%20base/AllItems.aspx>
 - Contact the TPA office at 305-271-8257 should you need assistance.
-

Contact: Dr. Angel L. Rodriguez , Family Liaison Officer (305 271-8257)
